BRIEF INTRODUCTION

ONE-STOP Supplier on Household Products Ningbo Newline with more than 15 years of foreign trading experience in China, Newline is a long-established provider of all kinds of consumer goods. From the beginning as a supplier to a mail-order company, until now as a partner of renowned brands, retailers, buying organizations, importers and distributors for their global success. Adhering to the concept that product is king, we cooperate with our partners to develop and create daily necessities that bring convenience and enjoyment to human life, so as to achieve the maximum economic benefits of life value.

Here is our bamboo range! why is bamboo? Because it is better for the planet. bamboo is actually a grass but with tough exterior. When harvested the roots remain and quickly regenerate. It's a truly remarkable and renewable resource.
